

Our Vision and Mission

We strengthen health outcomes in our community
and improve the patient and doctor experience.

Our Strategic Intent

Community Impact

We put our infrastructure, giving and investment to work
where they make the greatest community impact.
Our goal is that more people in Canberra can access
support where significant gaps in care exist.

Place Based Giving

We direct our resources to unmet health needs
and opportunities in our local community.

Growth with Purpose

We are willing to amplify giving while
preserving long-term financial health.

Our Philanthropic Approach

Traditional Grant Giving

ESTABLISHED

We value deep partnerships.
We build capability and
sustainability.
We support volunteering.

Purposeful

We prioritise issues
across the giving
spectrum with discipline.

Catalytic Investing

EVOLVING

We lead stakeholder coordination.
We value Social Return on Investments.
We prove pilot models ready to scale.

Our Values

Legacy Building

We engage our medical
specialist members and
make them proud.

Governance Integrity

We make transparent,
evidence informed and
accountable decisions.

Investment Excellence

We grow and steward
the corpus to sustain
future giving.

We are member led, community focused and impact driven.
